Awasi
IGUAZÚ

Location

Situated on the banks of the Iguazú River, our property is located just 15 minutes from the Iguazú Falls, one of South America's most iconic destinations. We are located 20 minutes from Cataratas del Iguazú International Airport (IGR). It is also convenient to arrive via Brazil: Awasi is only a 35-minute drive from Foz do Iguaçu International Airport (IGU), depending on immigration procedures.

How to get there

From Buenos Aires: LATAM and Aerolíneas Argentinas operate flights to Puerto Iguazú International Airport (IGR) from Buenos Aires, Salta and Córdoba.

From Brazil: There are several flights a day from São Paulo, Rio de Janeiro and Porto Alegre with Foz do Iguaçu International Airport (IGU).

From Santiago: JetSMART airlines has one flight Santiago to Foz do Iguaçu International Airport (IGU) available twice a week.

Upon arrival, your private guide will be waiting at the airport to welcome you and transfer you to Awasi Iguazú in a private 4x4 vehicle.

Highlights of Iguazú

Experience the park's must-see waterfalls and famous viewpoints.

Day 1

A.M.

- Arrival to Foz do Iguaçu International Airport (IGU) or Puerto Iguazú International Airport (IGR)

P.M.

- Briefing
- Guaraní Community

Arrive at Foz do Iguaçu International Airport (IGU) or Puerto Iguazú International Airport (IGR) around midday, where you will be welcomed by your Awasi guide. Once at the lodge, enjoy a quick briefing with your guide to finalise your activities and make the most of your stay.

Begin your first adventure with a visit to a Guaraní community, just 10 minutes from Awasi. The Guaraní are native to these lands, having arrived thousands of years ago in search of the mythical “Land Without Evil.” Explore the rainforest that is their home while learning about their history, traditions, and way of life.

Day 2

FULL-DAY

- Argentine Falls & Brazilian Falls

Depart early from the lodge to explore the Argentine side of Iguazú National Park, walking along elevated trails through the subtropical rainforest and taking in the spectacular waterfalls along the Upper and Lower Circuits.

Return to Awasi for lunch at the lodge before continuing to the Brazilian side of the park. Here, enjoy panoramic viewpoints that showcase the full scale of the falls and the surrounding jungle, perfect for photography and taking in the grandeur of this natural wonder.

Day 3

A.M

- Devil's Throat
- Departure from Foz do Iguaçu International Airport (IGU) or Puerto Iguazú International Airport (IGR)

Start your day early to experience one of the most iconic highlights of Iguazú National Park: the Devil's Throat. Depart from Awasi in time to take advantage of our exclusive train service, which provides a privileged access to the heart of the falls, allowing you to experience nearly 30 minutes immersed in their power before the park fills with visitors.

Stroll along the one-kilometre boardwalk over the upper Iguazú River, surrounded by lush jungle and vibrant wildlife. Marvel at the 80-meter drop of the horseshoe-shaped cascade.

Depending on your flight schedule, you may return to the hotel for a final lunch or take a little extra time to enjoy the scenery. Your guide will ensure you make the most of your time in Iguazú and accompany you to the airport.

Hidden Rainforest

Discover hidden paths, wildlife, and the forest's quiet wonders.

Day 1

A.M.

- Arrival to Foz do Iguaçu International Airport (IGU) or or Puerto Iguazú International Airport (IGR)

P.M.

- Briefing
- Alto Paraná & Yasy Fall

Arrive at Foz do Iguaçu International Airport (IGU) or or Puerto Iguazú International Airport (IGR) around midday, where you will be welcomed by your Awasi guide.

Upon arrival at the property, enjoy a briefing with your guide to review your itinerary and make the most of your stay.

Embark on a unique boat adventure along the Paraná River. Your journey will lead to the hidden Yasy Fall, a magical spot where you will be able to take a refreshing swim.

Day 2

A.M

- Devil's Throat

P.M

- Yacu-i Private Reserve

Start your day early to experience one of the most iconic highlights of Iguazú National Park: the Devil's Throat. Depart from Awasi in time to take advantage of our exclusive train service, which provides a privileged access to the heart of the falls, allowing you to experience nearly 30 minutes immersed in their power before the park fills with visitors.

Stroll along the one-kilometre boardwalk over the upper Iguazú River, surrounded by lush jungle and vibrant wildlife. Marvel at the 80-meter drop of the horseshoe-shaped cascade.

Discover part of the region's best-preserved rainforest. We will drive through Iguazú National Park along National Route 101, heading east, until we reach Awasi's Yacuí Private Reserve. Along the way, you may spot unique species such as Palo Rosa trees, Palmito palms, and primitive ferns. Once there, you can enjoy kayaking and rainforest walks, and experience a traditional asado.

Day 3

A.M

- Argentine Falls
- Departure from Foz do Iguacu International Airport (IGU) or Puerto Iguazú International Airport (IGR)

Depart early from the lodge to explore the Argentine side of Iguazú National Park, walking along elevated trails through the subtropical rainforest and taking in the spectacular waterfalls along the Upper and Lower Circuits.

Depending on your flight schedule, you may return to the hotel for a final lunch or take a little extra time to enjoy the scenery. Your guide will ensure you make the most of your time in Iguazú and accompany you to the airport.
